	<p>Customer Supplied Material may be considered SHIP TO STOCK for Pulse Systems production status, all products are built under the full controls and traceability of our ISO 13485-certified Quality System, with the following exceptions. We rely on our customers to communicate with us regarding specific critical attributes of their product requiring inspection. In the absence of such information, we will use our best judgment to select inspection points and sampling plans. Also, certain expedited Prototype orders (designated not for human use) are given minimal inspection by specific agreement with that Customer. Thank you for the opportunity to present this quotation.</p> <p>All prices quoted are FOB Origin.</p> <p>Prices apply for 30 days unless otherwise noted.</p> <p>Delivery based on availability of material at time of quote. Pulse Systems reserves the right to ship 10% +/- of order quantity due to the manufacturing parameters, unless notified by client of no over runs.</p> <p>We do accept Visa, Mastercard and American Express.</p>
