Via del Pozzo 71 Modena

Dear Arushi Swarup

Thanks very much for participating in the panel on “Paediatric Endoscopic Ear Surgery” at the Second World Congress on Endoscopic Ear Surgery in Bologna, Italy last month.

Your beautifully illustrated talk about " Steerable Instruments for Endoscopic Ear Surgery" was presented perfectly and everybody benefited by learning from your experience.

I look forward to further collaborations in future.

Kind regards

Modena 29-05-2017

Prof. Livio Presutti
